David, please see the attached 8 excel sheets that summarize all of the FRA inspections, defects, and violations on HRCC and XMDD for the last 5 years. This is all disciplines, that had at least one inspection during the timeframe. This should satisfy points 1 and 2 of NTSB's below request. These were pulled today from query 2.16 on the secure site.

We will continue working on your other items from your request, but wanted to get this to you ASAP.

Respectfully,

XMDD is an FRA identifier for Middlesex Corporation
