Dave,

Attached is a spreadsheet with the Top 25 RR Contractors in terms of employees. That is, those that report their drug and alcohol testing results to the D&A MIS. It is broken out by craft – the majority clearly being MOW. I show three consortiums as well that perform third party administration for many of the smaller contractors.

In total there are 841 MOW Contractors w/ 28,180 Roadway Worker Employees. The ***total*** MOW employees (contractor + RR) was an estimated 47,212 in 2022.

Let me know if you have any questions,

Jerry Powers
