David, please see the attached and use these instead of the files I sent on Tuesday. Please let me know if you have further questions.

We're still working on the rest of your request.

Subject: RE: Information Request: Great Barrington, MA Fatality

The previous data for XMDD is good, they were only added to RISPC in 2021.

Attached are 6 new files that reach back to 10/1/2017 to 10/10/2023 for HRRC. Please tell him to use these instead of the ones from yesterday. In case Dave asks, I removed the column "days since last inspection" because it wouldn't be consistent since I ran these queries on different days.

Thank you,

Daniel Baker
