Dear ALFONSO G GIAMPOLA:

Congratulations on being certified in the title indicated above. Let me commend you on your professional attitude and desire to provide a valuable service to your community. The division staff joins me in congratulating you on having demonstrated your competency in this specialty.

Firefighter certifications do not currently have a lapse date. Fire service instructor certifications will be valid for a period of three years. Instructors must complete continuing education units to renew their certification. Each semester instructors will receive a course brochure which will list the seminars scheduled for each semester. Follow the directions in the brochure to register for the continuing education seminars.

Again, I would like to extend my congratulations to you on your accomplishments and trust you will be placing the above certification on your wall with justifiable pride. Please do not hesitate to contact the Division of Fire Safety, Office of Training and Certification at (609) **PII** if we may further assist you.
