Subject: [Non-DoD Source] Damage estimate for KM Pasadena
Date: Friday, March 15, 2019 3:32:17 PM

CWO [REDACTED]

As we discussed via phone earlier today, we currently estimate that the cost of repairing our dock will be in excess of \$700,000. The damage assessment is still underway and this does not include lost revenue due to downtime.

Please let me or Alex know if you have any questions.

Best Regards,
Dean Leake
