Re: Tech review of the Meteorology Group Factual Report

Ms. McNulty:

The NTSB investigative team has reviewed all factual comments submitted by the parties as part of the technical review and has decided on a disposition for each one, as reflected below.

Page/Line	NWS Forensics Meteorologist:	NTSB – Disposition of Party Comments
WX Factual Report w/ atch	It looks very complete and I found no substantive errors or omissions.	None

All editorial suggestions have been considered and will be incorporated as appropriate.

The deadline for providing party submissions pursuant to 49 CFR 831.14 is March 17, 2017.

Sincerely,

Brian Young  
Investigator in Charge  
National Transportation Safety Board
