Administrative Inspection/Deactivate COI -

13 Sep 08: During review of Philadelphia Ride The Ducks activities, noted that there were no activities in 2008 for DUKW 34 (Ninety day window expires 28 Aug 08). Contacted Rich Smith and left a message, with no response.

8 Oct 08: Attended facility with LT Walthour (IO), Mr. Smith stated that the COI expired 28 Aug 08 (end of 90 day window) and a bearing went bad in the transercase while on the highway on the first of September. The vessel was taken out of service and no attempt was made to maintain the COI because they felt the vessel was no longer needed and therefore, would be out of service for the remainder of the season. Collected COI. Owner did not report lapsed date. IO's opted not to pursue further.

3 Nov 08: Deactivated COI in MISLE, added special note regarding vessel missing 4th annual..
