RE: GRUNDOCRACK Pipe Bursting System Contractor Certification

Dear Mike:

TT Technologies provides on-site training for contractors that are particularly skilled and qualified to become pipe bursting installation experts. Darcy & Harty Construction, Inc. is a highly skilled and qualified company that is fully trained in the proper use of the GRUNDOCRACK Pipe Bursting System. TT Technologies' staff has many years of experience and offers the largest selection of pipe bursting tools and accessories in the industry.

Based on TT Technologies, Inc.

USER'S MANUAL; GRUNDOCRACK PIPE BURSTING SYSTEM

General instructions and safety procedures for operating pneumatic pipe bursting equipment and accessories are detailed. Training includes, site evaluation, equipment selection, site setup, pipe handling, and execution of the GRUNDOCRACK pipe bursting process. This training in combination with the contractor's own experience in sewer evaluation, inspection and construction result in a very qualified pipe bursting contractor.

Superintendent, John Harty; and Foremen, Ismail Reyes, Jose Guzman, Jose Ornelas and Rugio Gonzales have completed the above described training.

Darcy & Harty Construction, Inc. will utilize GRUNDOCRACK Pipe Bursting Equipment for this project.

Sincerely,

Collins K. Orton
Pipe Bursting Specialist
California Sales Manager
