Re: Tech review of the Engineering / IIC Group Factual Report

Lora:

The NTSB investigative team has reviewed all factual comments submitted by the parties as part of the technical review and has decided on a disposition for each one, as reflected below. All editorial suggestions have been considered and will be incorporated as appropriate.

The deadline for providing party submissions pursuant to 49 CFR 831.14 is February 7, 2020.

Thank you and best regards,

Brian Young

ERRATA

Group Chairman’s Factual Report Engineering / IIC

Stretch Duck 7 DCA18MM028

Page/Line	Original	Correction	NTSB Disposition of Comments
P5/L8	Hersch end	Herschend	Corrected, removed extra space.
P5/L10	AVM	I didn’t see AVM defined earlier in the doc so this needs to be defined prior to use as an acronym.	Corrected, AVM (Amphibious Vehicle Manufacturing) spelled out in “Company Information” paragraph.
P5/L12	As if the date if this report...	As of the date of this report...	Corrected.
