

PRE-FIRE PLAN CERTIFICATION

For: Maersk Tankers A/S

As required by 33 CFR 155.4035(b)(2), SVITZER Salvage Americas acknowledges that Maersk Tankers A/S, as Plan Holder, has given SVITZER Salvage Americas a copy of the SOLAS Chapter II-2, Regulation 15 or NFPA 1405, Chapter 9 compliant plan for the vessel(s) listed in Annex 1 below.

SVITZER Salvage Americas hereby certifies, as required by 33 CFR 155.4035(b)(2), that the submitted Pre-Fire Plans for the aforementioned vessel(s) have been reviewed and found to be acceptable, and that SVITZER Salvage Americas agrees to implement the submitted Pre-Fire Plan for use in mitigating a potential or actual fire.

In the event of an incident or threat of an incident requiring the use of the Pre-Fire Plan, the Pre-Fire Plan will be provided to the subcontracted firefighting resources and public fire departments providing response to an incident.

Sincerely,

Maurice Denis
Regional Manager
