Text Message Transcription between Robin Walbridge & Tracie Simonin
October 25, 2012

Thursday October 25, 2012

Robin 6:13pm: So we are underway. Sandy looks like she will be bad. Plan is to get south and east of it.

Robin 6:13pm: Great tour of the sub. Thx

Robert 6:13pm: Current track puts it a little off shore. If u run closer to shore you should catch a good southern breeze. What's ur back up if it gets snotty? And yes the sub is was crazy cool.

Roin 6:13pm: Yes we would get a very good ride if it didn't push us up on the rocks. We need to get east of it. I would not dare to be anywhere close to land.
