Memorandum

Detroit Metro ATCT
Federal Aviation Administration

Subject: **INFORMATION: NTSB Request 97-034**

Date: March 28, 1997

From: Air Traffic Manager, ATCT, Detroit, MI

Reply to
Attn. of:

To: Manager, Air Traffic Investigations Branch, AAT-26
ATTN: Cathy Welsh

We have reviewed the subject request and provide the following information:

Greg Martin had one limitation on his physical; "Shall possess correcting lenses for near vision while performing ATCS duties". Greg was wearing his glasses when he worked COMAIR 3272. Greg received an icing report, while working a departure sector, approximately one and one half hours prior to working COMAIR 3272.

Steve Cochran had one limitation on his physical; "Shall wear correcting lenses for distant vision while performing ATCS duties". Steve was wearing his glasses when he worked COMAIR 3272.

If you have any questions concerning this response, please contact the facility at
