## Take an Arizona Balloon Flight

**Arizona Hot Air Balloons** is the premier Arizona balloon ride service, serving the Phoenix Metropolitan Area including Scottsdale, Tempe, Mesa, Chandler, Gilbert, Anthem, Cave Creek, Carefree, Apache Junction areas. Also, Sedona and the high country in the northern part of the state.

We offer hot air balloon rides in the beautiful Sonoran Desert. As you gently float off the face of mother earth, you will be in the arms of mother nature for your flight over the youngest and wettest desert in the world. We want to get you away from the rooftop and pool views. While you're on your excursion with us, you will learn about the flowers and the fauna that live in this harsh desert environment. You will also witness the breathtaking unique panorama of the Bradshaw mountains, known for their rich gold production for the state.

Many people think of New Mexico as the premiere place to take a flight when, indeed, it is not. Arizona is the best and safest place to take a hot air balloon ride. We have consistent lush weather year round. This allows us to fly over 340 flights a year. Then, when you touchdown back into the loving arms of mother earth, you will be a part of history of man's first flight.

This will be cause for celebration, as we pop a bottle of champagne and serve some delicious food. Here at Arizona Hot Air Balloons, we want you to feel like family, as we award you with certificates of flight. These will be your official bragging rights to your friends, family and co-workers of the time you shared with us.

Our consistent weather, veteran pilots, and maintained equipment will assure you a safe and enjoyable flight. You can book a reservation, or you can order a gift certificate. Whatever you choose, you are going to enjoy our professional service and have a lifetime memory. It doesn't matter if it's just you wanting to take pictures, or a Mom and Dad wanting to build lasting memories with the kids, you will always remember your experience with us.
