## AIRCRAFT SUMMARY

**Year:** 2005  
**Type:** LANCAIR 4PT  
**Registration:** N86NW  
**Airframe Total Time:** 126 Hours  
**Engine/HP:** 750 HP  
**Engine Times:** 126 SMOH  
**Prop Times:** 126 SPOH

## AVIONICS

2 Multi Functional Displays : Chelton CFS Sierra-SV Synthetic Vision EFIS w  
 XBOW 500 AHRS ("Highway in the Sky")  
 Additional Multi Functional display : Avidyne EX-5000  
 Radio and NAV : Garmin GNS530 GPS/COM/NAV/Color moving map  
 Radio and NAV : Garmin GNS430 GPS/COM/NAV/Color moving map  
 (Additional HSI & NAV incorporated in the Chelton)  
 Transponder Mode S : GTX330 Garmin  
 TACD: RYAN 9900BX  
 In-Flight Weather System WSI AV-100  
 Stormscope: BF Goodrich Stormscope WX500  
 Engine & Air-data unit (provides among other, wind velocity and direction): EAU  
 SFS  
 Audio Panel w/ Marker Beacon PMA7000B  
 Backup Airspeed Indicator :PS Engineering 2"  
 backup Attitude Gyro : 501-1131-01 2.25" Jet USAF  
 Backup Altimeter 10430-11870 2.25" Backup Turn & Slip Indicator:  
 5550-8340-NSL Mid-Continent  
 Backup VOR indicator w/Glide-Slope: MD200 UPS backup  
 J66 Lancair Cabin Pressure Differential Altimeter w/ Light  
 Navigator SIRS Glare Shield Mount Compass

XM Radio

Autopilot: 3-axis DFC-250AS TruTrack Digital Autopilot w/ Altitude Pre-select  
SRV-Roll HT TruTrack Digital High Torque Roll Servo for Turbines

**OTHER EQUIPMENT**

DFC-250AS TruTrack Digital Autopilot w/ Altitude Preselect

SRV-Roll HT TruTrack Digital High Torque Roll Servo for Turbines

High capacity air-condition

External DC socket

4 light-weight batteries on firewall for main and backup power

Remote electric emergency O2 operation and pressure indication from cockpit

Wings, stabs, and windshield TKS

Hot prop, induction air

**EXTERIOR**

High quality paint - White, red with gold trim (beautiful).

**INTERIOR**

Light tan leather with gold trim

Remote baggage compartment door release
