

Learjet 35A (N800GP)

When time is of the essence, the Learjet 35A is the business traveler's choice for short to medium business flights. With a range of nearly 2,200 miles and a speed of 540 mph, the Learjet 35A makes domestic flights a snap. A mini galley, flight phone and leather seats are among the amenities that add comfort and luxury to all flights on the Learjet 35A.
