EFFECTIVE DATE: 2-8-17 END DATE: 5-31-17

AGREEMENT FOR USE PRIVILEGE

In return for receiving the use privilege of fishing for shellfish inhabiting waters subject to the jurisdiction of the State of Alaska, the undersigned agrees:

- (1) to engage in fishing for a species of shellfish only in a registration area, district or other subdivision of a registration area, for which the vessel is validly registered for that species;
- (2) to engage in fishing for a species of shellfish only in a registration area, district or other subdivision of a registration area, where the season is open for that species;
- (3) to engage in fishing for a species of shellfish in compliance with all regulations governing that species in the registration area, district or other subdivision of a registration area;
- (4) to comply with all reporting requirements, check-out provisions, gear configuration, storage and sharing requirements, and all other applicable regulations;
- (5) when required to carry an onboard observer the vessel operator consents to the placement of an observer aboard this vessel, if required, as a condition of participating in a fishery for which an onboard observer program is authorized by the Alaska Board of Fisheries.

The undersigned further agrees that the above agreement shall have the force of regulation.

SHELLFISH CERTIFICATE OF INSPECTION

*** USE REVERSE SIDE IF ADDITIONAL SPACES ARE NEEDED***

It is the responsibility of the undersigned vessel operator registering pot gear for a gear co-op and all agents designated above, to provide the date and time set of each pot retrieved by that vessel operator or agent to observers and/or dockside samplers. An active vessel may collectively operate and transport crab pot gear of another registered and active vessel. All gear must be removed from the water or placed in long-term storage within 14 days following the completion of fishing in a registration area (5 AAC 39.675).
