Title: Investigation Report

Created By: David Olson

ON 10/6/2016 Pennington County LEC received a report of a Car vs Pedestrian Crash at 10193 US Hwy 59 NE.

I Deputy David R. Olson along with other deputies and officers responded to the location. Upon arriving on scene Trooper Scott Stueber and Deputy Alex Thiebert were already on scene. I noticed a young boy lying in the East ditch and officers were performing CPR. There was 2 other younger children standing near by. I spoke with the 2 kids. They identified themselves as brothers to the victim of the crash.

I spoke with [REDACTED] DOB [REDACTED] and [REDACTED] [REDACTED]. They both stated that they were standing on the East side of US Hwy 59 waiting for the school bus. The bus drove by them and did not stop. [REDACTED] stated that he chased after the bus to try and get it to stop but it did not. They both stated that after some time the bus did come back to their location. The bus was now south bound and the kids were on the opposite side of the road. As the bus was slowing down near the driveway to the residence, the youngest child, [REDACTED] ran across the highway and was struck by a van traveling North. They watched [REDACTED] fly through the air after being struck and came to rest near the bottom of the ditch on the east side.

Both children said that the yellow lights were flashing on the bus but did not believe that the stop arm was out.

The [REDACTED] residence at [REDACTED] is on the West side of the highway. [REDACTED] and [REDACTED] both stated that they had crossed to the opposite side of the highway prior to the arriving at the location.

I spoke with both parents. They stated they were both in the house at the time of the crash. They didn't know anything had happened until [REDACTED] come running into the house and said that [REDACTED] had been hit.
