Operations Specifications

D090. Coordinating Agencies for Suppliers Evaluation (CASE)

HQ Control: 08/15/97
HQ Revision: 01a

The certificate holder is authorized to utilize CASE as a means of qualifying a vendor for services, parts, and materials to satisfy the requirements of 14 CFR Section 121.373.

- a. CASE activities shall be conducted in accordance with the most current revision of the CASE air carrier section policy and the certificate holder's manual system. Contents of the CASE manual shall not conflict with the CFR or the certificate holder's manual system.
- b. The certificate holder retains primary responsibility for the airworthiness of parts and material processed through any approved vendor or contractor approved for use by the certificate holder and for services rendered to the certificate holder.
- c. Should the air carrier section of CASE cease to exist or function or should the certificate holder cease to maintain an active sustaining membership, this authorization is canceled.

1. The Certificate Holder applies for the Operations in this paragraph.
2. Support information reference: No change. This is just a resign to remove Thomas M. Wood
3. These Operations Specifications are approved by direction of the Administrator.
