

Le Bourget, 09th May 2016

Mr. Mike J. Hodges
NTSB - USA

O/Ref: 1748 / BEA / INV

Subject: **Appointment of an accredited representative and technical advisors**
Accident to AS350B2 / N94TH on 06/05/2016 near Skagway, Alaska.

Dear Mr. HODGES,

Thank you for the notification that you sent to the BEA concerning the
aforementioned accident. In accordance with the provisions of Annex 13, we
have appointed as accredited representative:

- **Romain BEVILLARD**, BEA investigator.

He will be assisted by the following technical advisors:

- **Lindsay CUNNINGHAM**, Airbus Helicopters Inc.;
- **Vincent LASSUS**, Airbus Helicopters;
- **Michel MARTIN**, Airbus Helicopters;
- **Bryan LARIMORE**, Turbomeca USA;
- **Jean-Louis LALAAS**, Turbomeca France.

Romain BEVILLARD does not plan to travel to the site of the accident but
remains at your disposal for any assistance you may require.

Our technical advisors remain at your disposal for on-site assistance if
required.

You may contact Romain BEVILLARD by phone or e-mail:

The BEA remains at your disposal for any aircraft parts examination that might
be required.

Unless you instruct us otherwise, we will publish on our website the
information that the NTSB is opening an investigation on this accident, with
the participation of the BEA. This information would appear on our weekly list
of newly opened investigations and would include the summary of
circumstances you have provided us in your notification.

Best regards,
