Don Cox, FRO for N6211E, 22 March 2003

Interview by

Mike Krenz, Col. CAP and George Cobley, Major, CAP

1445 – Explained purpose of call.

Don received a call from Jim Johnson about noon. He was planning to fly with Christie Battle from 2 to 5 PM.

Don was acquainted with both pilots and that they were current FAA, Medical, and CAPF 5 (Don in a 172, Christie in 172 and 182.)

Don obtained Jim's phone number in case the flight didn't close on time.

Don did not inquire into where the flight was going. He did determine it was a C1 flight. Ralph Tomlinson, Lt. Col. CAP, notified Don about 7 PM that the accident had occurred.
