30 June, 1997

Mr. Thomas Conroy
Investigator-In-Charge
Major Investigations Division (AS-10)
National Transportation Safety Board
490 L'Enfant Plaza, S. W.
Washington, D. C. 20594-2000

Subject: Douglas Aircraft Company Post-Hearing Submission: Delta Air Lines
MD-88 Uncontained Engine Failure Accident, Pensacola, Florida, 6
July 1996 (DCA96MA068)

Reference: T. R. Conroy Letter to Party Coordinators Dated 6 May 1997

Dear Mr. Conroy:

Pursuant to the reference letter and Title 49 Code of Federal Regulations Chapter VIII, 5845.27, the attached is respectfully transmitted for the Safety Board's consideration as the Douglas Aircraft Company (DAC) submission regarding the subject accident. Fifteen copies of this submittal are hereby provided to the Board, and copies have been served on all Parties to the investigation listed in the referenced letter.

Sincerely,

William C. Steelhammer
Senior Accident Investigation Coordinator
Douglas Aircraft Company
Flight Operations (MC 0094-0025)
