Re: NTSB Accident Investigation DCA 10MP008  
Pacific Gas and Electric Company (PG&E) – Line 132

Dear Mr. Chhatre:

Please find attached the Submission of the Consumer Protection and Safety Division (CPSD), of the California Public Utilities Commission, for National Transportation Safety Board Accident Investigation DCA 10MP008. The CPSD is continuing to investigate the September 9, 2010 incident involving Segment 180 of PG&E's Transmission Line 132. We intend to provide the NTSB with updates on all significant information we learn through our investigation.

We appreciate the opportunity to provide our Submission to the NTSB. Please let us know if you have any comments or questions related to our submittal.

Respectfully submitted,

A large rectangular area of the document is redacted with a solid purple color, obscuring the signature and name of the sender.
