Dear Mr. Baxter:

Thank you for contacting us regarding filming on CSX property.

In accordance with our company protocol, CSX does not permit filming on our property. This is based on concern for the safety of those accessing and working on our railroad, security considerations, and our commitment to ensuring on-schedule train operations for the customers we serve.

Our first priority is safety. CSX strives to be a good neighbor in the communities in which we operate. We hope you understand our position, and we apologize that we are unable to accommodate your request.

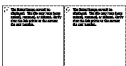

Very truly yours,

TellCSX Team

Mr. Baxter,

I am sorry for the delay in getting back with you. Unfortunately, CSX will not be able to support your request. As discussed, I do suggest that you reach out to the short line railroads as they routinely will support filming support.

Thank so much, it sounds like a great production.

Best of luck,

Carla Groleau

Hello Carla,

Thank you for taking the time to try and help us with our request.

Midnight Rider is an independent film based on the life of the legendary Gregg Allman from the Allman Brothers Band. The movie will star Oscar winner William Hurt as the older Gregg.

Specifically we would like permission to access CSX tracks with 5 people and no vehicles on Thursday February 20, 2014 for 20 minutes between 4 PM and 6 PM.

We will have 15 people with us; however, only 5 will need access to the tracks.

We are simply filming two actors staring at each other from approximately 50 yards apart. We will not be attaching anything to the tracks or ties.

The tracks are located on Rayonier's Jessup Mill location, 4470 Savannah Hwy. Jessup, GA 31545
The site we're requesting is just south of the Doctor Town Tresle on the Altamaha River.

Rayonier has embraced our film and we are staging on their property. I've cc'd Tina Kicklighter on this email, Tina is Manager, Communication with Rayonier.

Tina and I would like the opportunity to meet your Safety Inspector at the location so we can explain the request in more detail.

Once again thank you for your consideration and please let me know if you need any additional information.
