Good morning, Shawn-

Lockheed Martin Flight Services did not provide any services for the subject aircraft. IAD and MIV DUATS replied with no services provided as well.

**Subject:** EXTERNAL: N61410 - Avid Flyer Mark IV

I am currently working an accident that took place on Monday March 26, 2012 in which the pilot was fatally injured. Would you be so kind as to let me know if there is a flight plan for N61410 for that date and if he had received a weather briefing.

Thanks for your help
