

**ATTACHMENT 73 – COVER LETTER FOR THE 2010 MICHIGAN PIPELINE EMERGENCY RESPONSE  
PLANNING INFORMATION MANUAL MAILING**

«Date»

On behalf of the pipeline operators of «State\_Full», we are sorry you were unable to attend this year's Emergency Responder Training Program. Enclosed is your 2010 Pipeline Emergency Response Planning Information which provides valuable information for your department about the pipeline operators in your area.

Also enclosed a preprinted Emergency Response Preparedness Report which is a very important document for you to complete and return. There is a postage paid envelope enclosed for your convenience. This is vital information for the pipeline operators to know what your capabilities are in the unlikely event of a pipeline emergency. Thank you in advance for taking a few moments to complete this form.

We will hold our free Emergency Responder Training Programs again in 2011. Please be on the lookout for an invitation in the mail for next year's programs, or you can check our website for upcoming events at [www.pdigm.com/schedule](http://www.pdigm.com/schedule).

Please contact us with any questions and thank you again for your commitment to safety.

Sincerely,

David Wilkerson
