RE: TOC Annual Compliance of Certification, 2011

I, Matthew Bassett, Chair of the Tri-State Oversight Committee (TOC), submit the State Safety Oversight Program Annual Report, which summarizes TOC's oversight activities for calendar year 2011. The information accurately documents the Safety Oversight Program administered by TOC. I further certify that TOC is in compliance with 49 CFR Part 659 requirements and that neither TOC's membership nor I have a conflict of interest regarding the safety program administered by the Washington Metropolitan Area Transit Authority or any of its contractors.
