

RECORD OF CONVERSATION WITH MIKE REMBOLD OF REMBOLD  
AVIATION IN DANVILLE VIRGINIA (KDAN)

10/11/2011 AT 0925

Mr. Rembold stated that N115CL arrived in Danville at approximately 1900 local time from Myrtle Beach, SC to drop-off his wife, who rented a car at the airport. N115CL did not purchase any fuel and departed at approximately 1930 local time, with the PIC in the left seat, the male passenger in the right front seat, and the female passenger in the aft row seats. Mr. Rembold could not recall if it was the left or right aft seat. Mr. Rembold also stated that a Beechcraft Bonanza which departed from Florida and was heading in the same direction chose to spend the night in Danville due to the en route weather.
