**Subject:** 72 hour report

Dear Josh

Below is the requested information of what I did the last 72 hours prior to the incident.

May 23, 2011 was my day off and I just did things around my house and went to sleep at 7:00pm.

May 24, 2011 I woke at 1:45 to go to KLGB to be driven to KVNY for a 4:00am departure to Utah. At 8:00 we departed Utah to fly to KSJC. After cleaning the plane, the company released us so we went to our hotel. At the hotel I slept from 2:00pm to 5:00pm. At around 5:30pm, I went with a friend to eat and to watch the basketball game and when the game was over; I went back to my hotel. I think that I went to sleep around 10:00 to 11:00PM.

May 25, 2011 I woke around 9:00am and ate breakfast with Hal and at this time we had no trips planned. About an hour later we got the call that we would be flying to KSEZ and needed to show at the airport at 1:00pm to get the plane ready for a 2:00pm departure.

I hope that this covers every thing and please feel free to call me for anything that you might need. Please inform me receipt of this letter.

Sincerely

Colin Yates
