**Figure 1 - AAY108 Flight Track**

B. SOPER

JANUARY, 2015

This figure was created utilizing ADS-B source data provided by Allegiant Airlines and radar source data provided by the FAA. This figure provides an overhead view of the flight track of AAY108 through it's landing at St. Cloud Regional Airport. No radar information was available on the accident aircraft N135BB. Arrows have been included for directional reference only. The accident location of N135BB is indicated by the Maltese cross symbol

The radar data source was the Apple Valley-Minneapolis ARSR-1E (ZQJE) located in Apple Valley, MN at  
44° 45' 09.505" N // -93° 13' 39.594" W

B. SOPER  
JANUARY, 2015

This figure was created utilizing ADS-B source data provided by Allegiant Airlines and radar source data provided by the FAA. This figure provides an overhead view of the segment of the flight track of AAY108 through it's closest proximity with the accident aircraft N135BB. No radar information was available on the accident aircraft. All times are in central daylight time (CDT), altitudes are in feet above mean sea level (msl), and speeds are ground speed. The accident location of N135BB is indicated by the Maltese cross symbol

The radar data source was the Apple Valley-Minneapolis ARSR-1E (ZQJE) located in Apple Valley, MN at 44° 45' 09.505" N // -93° 13' 39.594" W
