Mr. Burns,

I can't quite make out the dates on the two sales invoices, or the name on invoice # 579

Additionally, are you able to track invoice 1153 and see who paid for it? It shows an Amex number, different from the other receipts.

It does appear that the most recent fuel purchase since the accident was made at VGT. Did any other pilots report fuel problems, and did you encounter any anomalies during routine fuel sampling?

Thanks in advance.

Mr. Burns,

You may have already spoken to my colleague, Maja Smith, but this is an updated request.

I believe you track by tail number when the fuel truck is used, but not the island. Therefore, please could you search your systems for the last fuel three fuel purchases under any of the following:

N9456P

James Pedroza

Micha Griggs

Blake Brooksby

N9456P LLC

Please don't hesitate to call me if you have any questions, and thanks in advance.
