Title

Matt Igoe

Vice President, Transportation

Matt Igoe was appointed vice president, Transportation in July 2017. In this role, he is responsible for the overall Transportation organization including Field and Network Operations, Locomotive Distribution and Crew Management.

Prior to this appointment, Matt served as vice president, Service Design and Performance, since May 2016.

Following his career as an officer in the U.S. Army, Matt joined BNSF in 1998 as a management trainee. He has worked in a variety of positions with increasing responsibility within the Marketing and Transportation organizations. Matt served as general manager for the Chicago Division from May 2010 until October 2012, when he was promoted to general superintendent, Transportation. Matt was promoted to the position of regional vice president for the Central Region in February 2013.

Education

- Bachelor of Arts, Canisius College
- Master of Business Administration, Northwestern University

Affiliations/Community Involvement

- Board of Directors, Terminal Railroad Association of St. Louis

Personal

Matt lives in Fort Worth, Texas, with his wife and five children.

BNSF

BNSF Railway is one of North America's leading freight transportation companies operating on 32,500 route miles of track in 28 states, and also operates in three Canadian provinces. BNSF is one of the top transporters of consumer goods, grain and agricultural products, low-sulfur coal, and industrial goods such as petroleum, chemicals, housing materials, food and beverages. BNSF's shipments help feed, clothe, supply, and power American homes and businesses every day. BNSF and its employees have developed one of the most technologically advanced, and efficient railroads in the industry. We work continuously to improve the value of the safety, service, energy, and environmental benefits we provide to our customers and the communities we serve.
