Title

**Matthew (Matt) Meadows, Director of Operating Rules and Practices
CSX Transportation**

Matt Meadows has been employed with CSX Transportation since 1993 and has served as the Director of Operating Rules and Practices since 2009. He is a certified Conductor, Remote Control Operator, and Locomotive Engineer and has served in various management roles since 1998. His management roles include Road Foreman of Engines, Trainmaster, Terminal Manager, and Manager of Safety and Operating Practices. As Director of Operating Rules and Practices he oversees and administers the operating rules of CSX as well as the Operational Testing program.

Matt received the CSX Chairman's Award of Excellence in 2013 for the development of innovative training for train and engine service employees. He also received recognition at the 2014 Railroad Safety Leadership Forum for leading the rule simplification project and rewrite of the CSX operating rule book. Matt completed the CSX Business Leadership Program conducted in partnership with the University of Maryland's Robert H. Smith School of Business in 2015.
