Title

**Conrail Train Derailment  
EPA and Coast Guard Jurisdiction**

In accordance with EPA Region 2 and USCG District 5 agreements, the coastal zone in this area includes the Delaware River and its adjacent land on the New Jersey side inward to Route 130. The Paulsboro train derailment occurred within the coastal zone and was therefore subject to USCG jurisdiction and managed by a USCG Federal On-Scene Coordinator. The “Demarcation of the Inland and Coastal Zones for Pre-Designation of EPA and USCG On-Scene Coordinators for Pollution Response in New Jersey and New York is available at:
