Conrail Derailment in Paulsboro, NJ with Vinyl Chloride Release

Agency / Organization

Federal Railroad Administration (FRA)

Title

FRA Observational Testing (Operational Testing Data Inspection) of Conrail 2008 through 2010

Docket ID: DCA13MR002

Federal Railroad Administration (FRA)

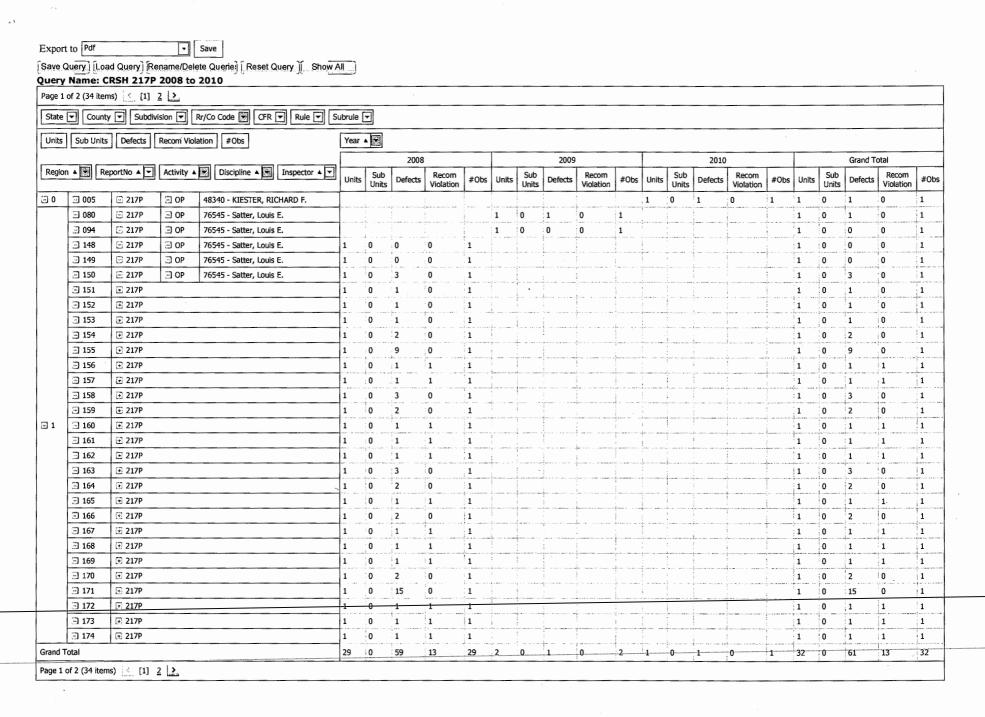

Requested Information:

Provide observational testing of Conrail from 2008 through 2010

FRA Operating Practices Inspectors conduct inspections of railroads operational testing data and are required to document these inspections on inspection (6180.96) reports using the activity code 217P.

On Conrail, between 2008 and 2010, FRA inspectors wrote 32 inspection reports, which encompassed 32 units, 61 defects and 13 recommendations for civil penalties.

(Summary report and inspection reports attached)
