

**HUMAN PERFORMANCE FACTORS GROUP CHAIRMAN'S  
FACTUAL REPORT**

**Attachment 6: Cellular Telephone Records for Pilot Car Driver**

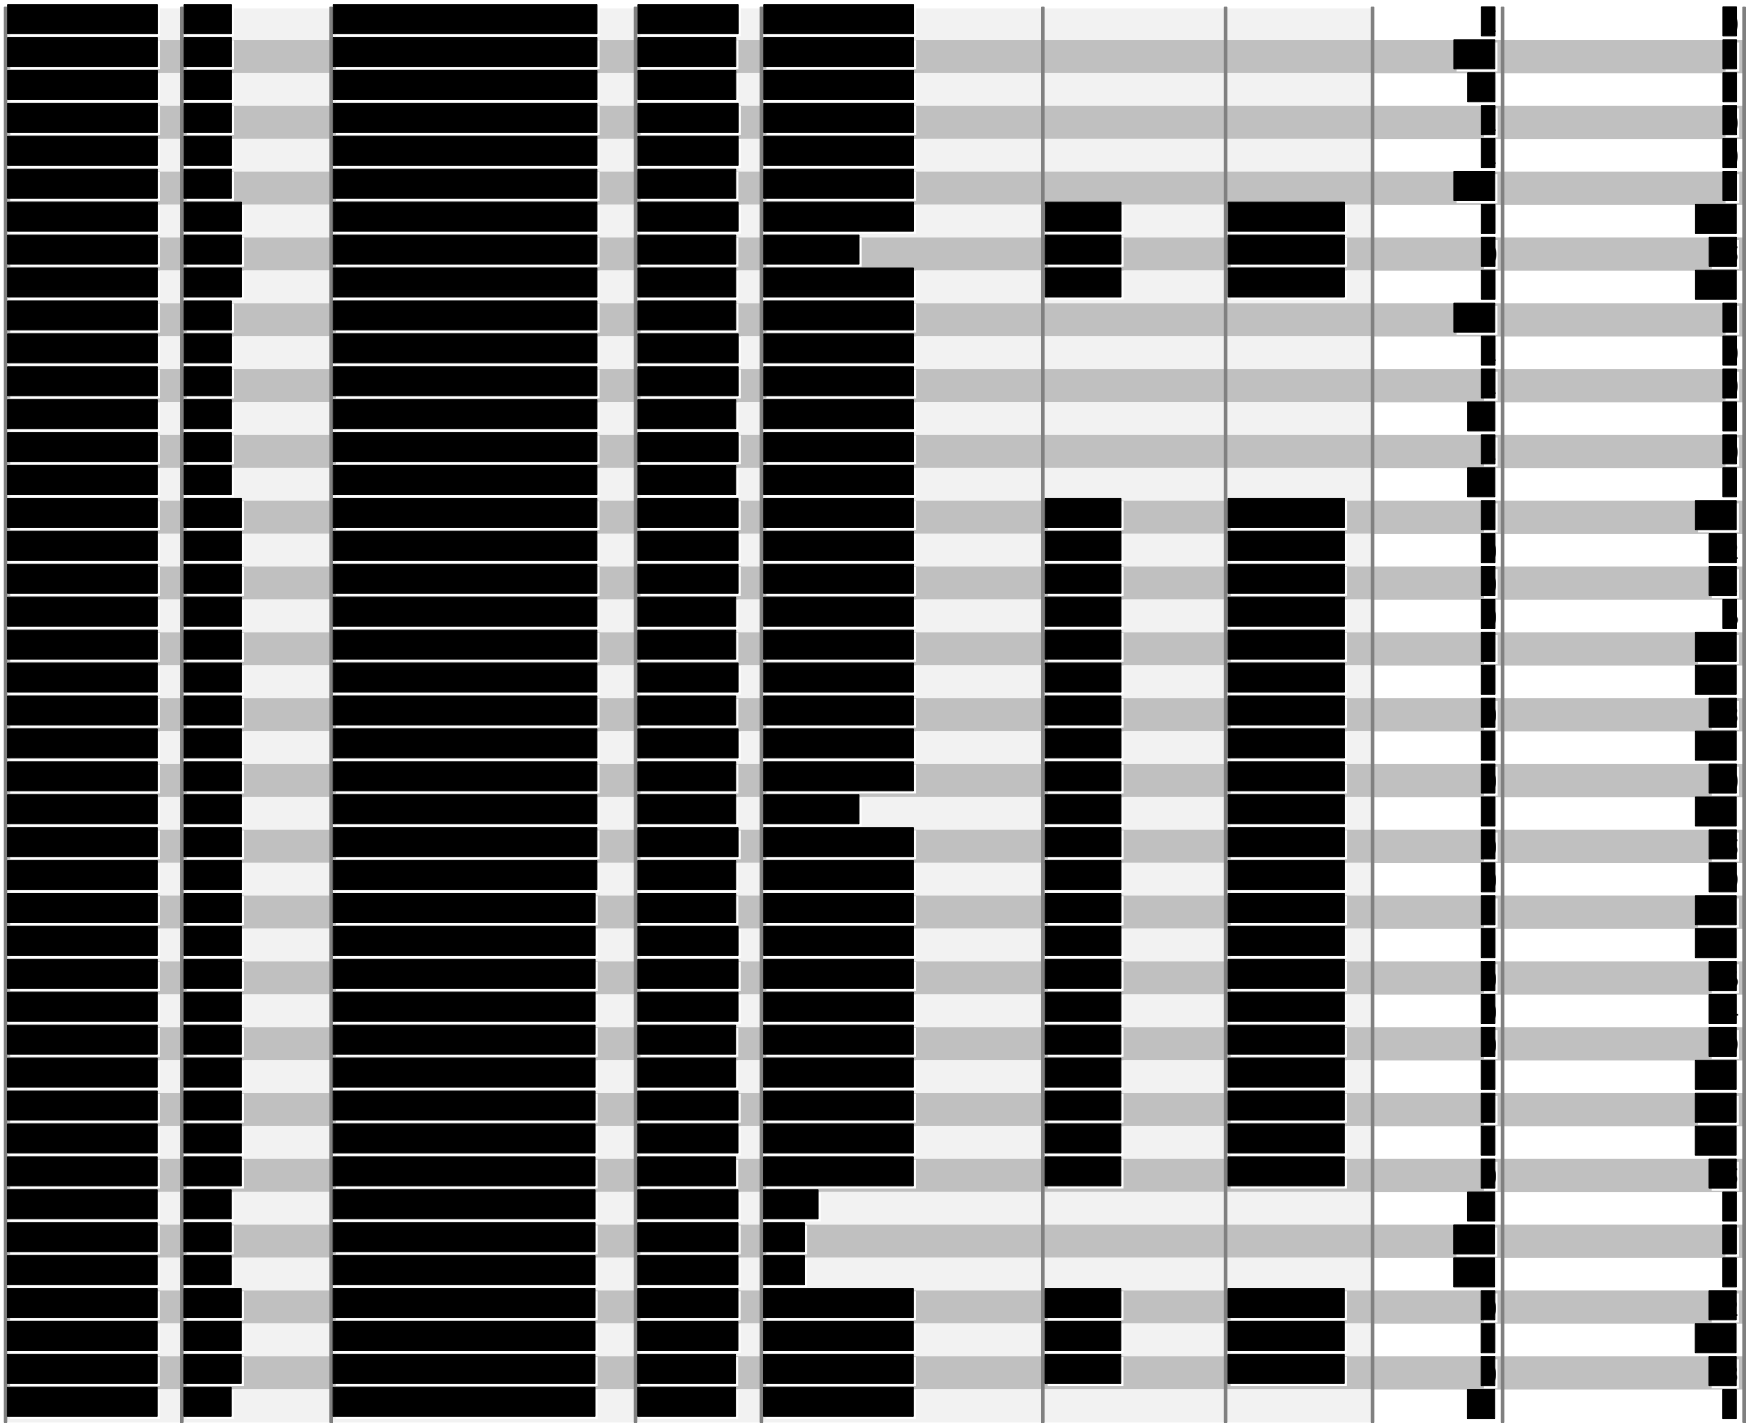

**Bridge Collapse  
Mount Vernon, Washington: 05/23/2013**

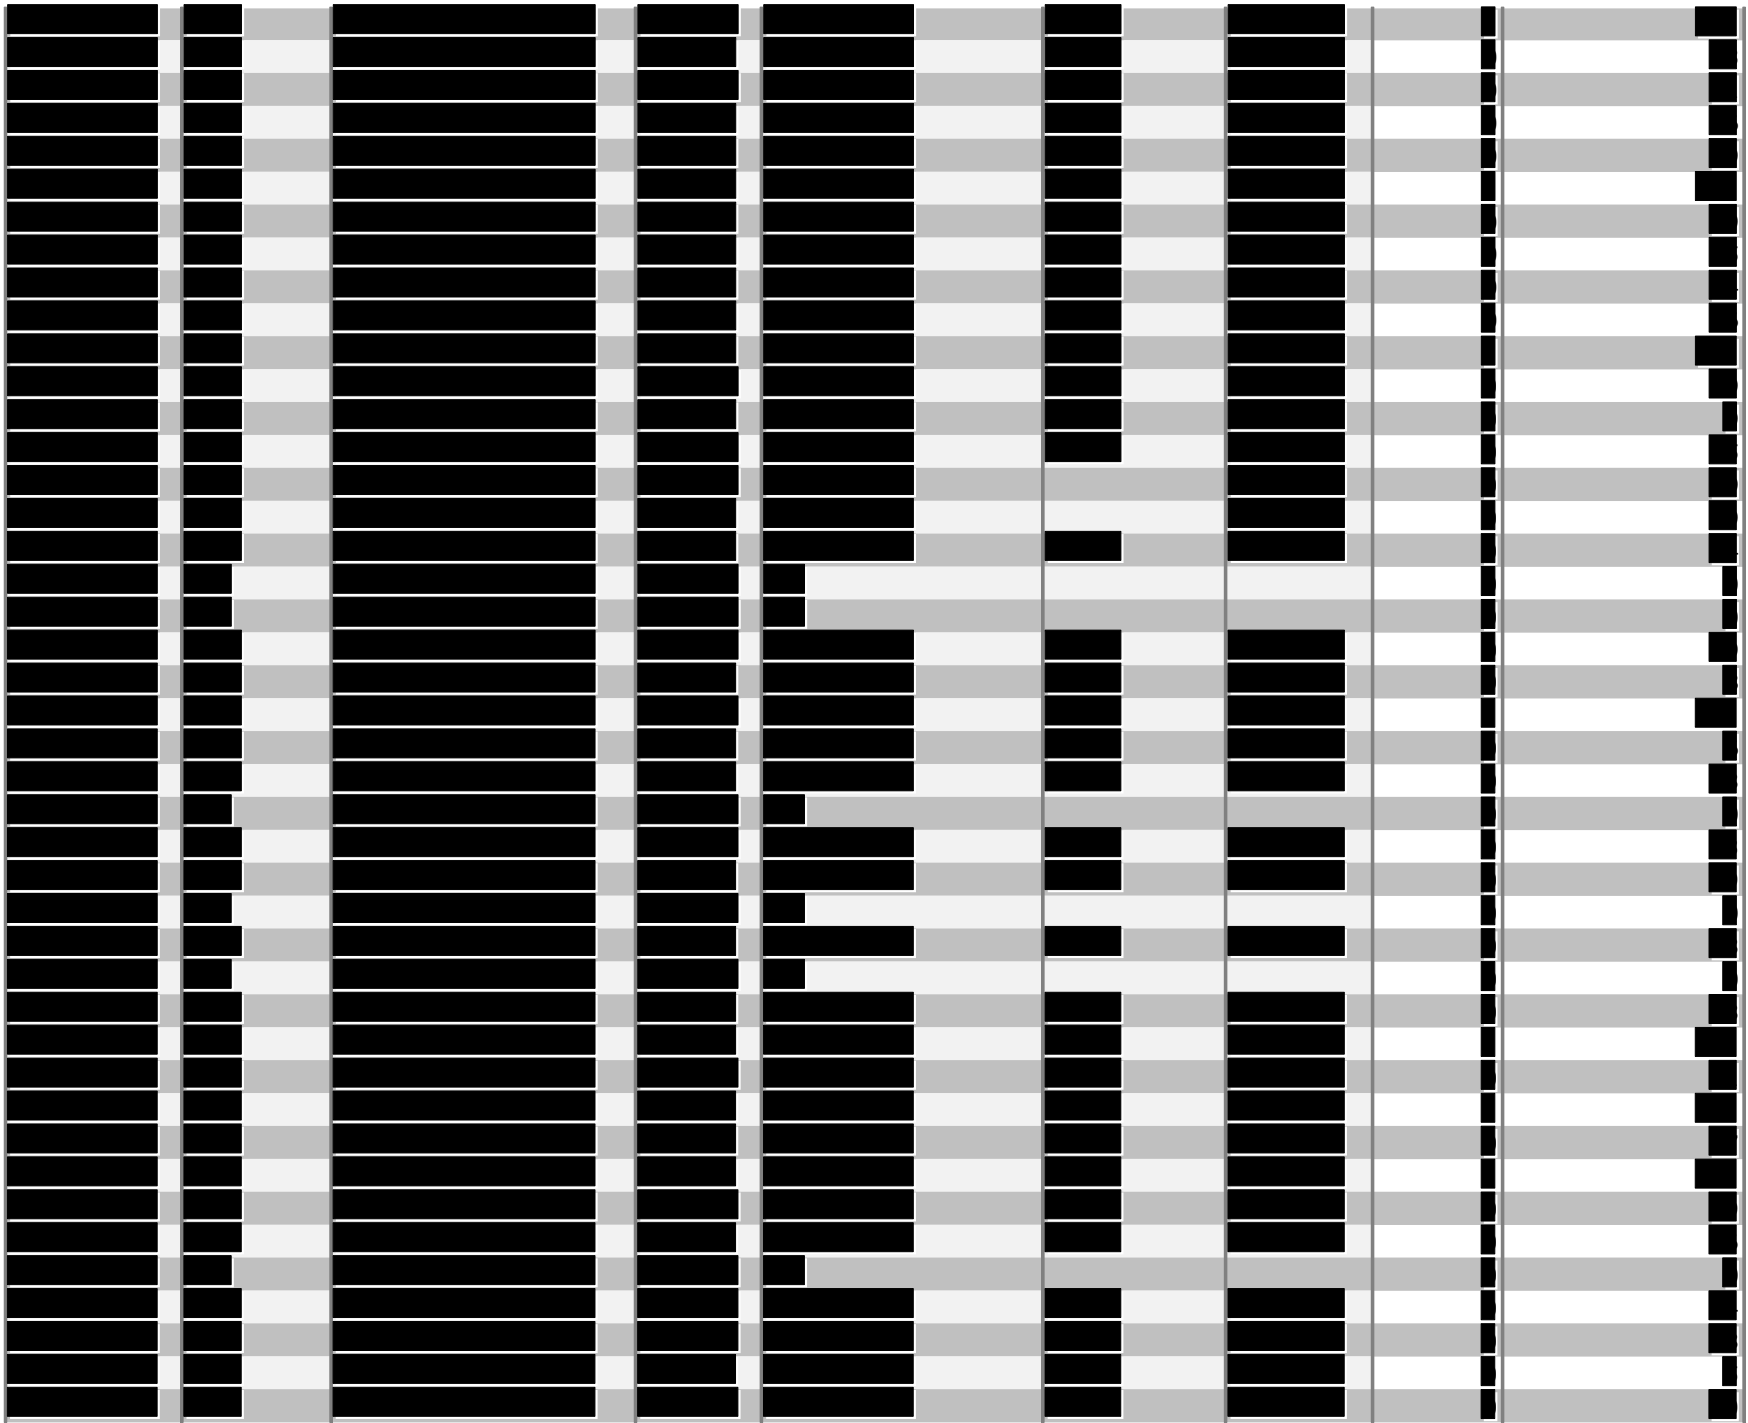

**HWY-13-MH-012  
(8 pages)**

This image shows a table that has been almost entirely redacted. The text within the cells is obscured by black bars. The table is organized into several columns and rows, with a grey background. A vertical line is visible on the right side, possibly indicating a page margin or a column separator. The overall appearance is that of a document where sensitive information has been removed for security or privacy reasons.
