ON 09/24/2011 ABOUT
10AM MR CASTLEBERRY
CAME INTO THE TERMINAL
PUT A NAVIGATION BOOK
ON THE TABLE NEAR
THE TV WE CHATTED
A SPELL, I asked if
he needed fuel
and he said he
did not. I observed
him doing touch & goes
on RWY 5 and talked
to him on the radio
as he crossed 10/28
I asked, "DO YOU WANT TO

top off or do it later
He replied "I'll do it later"
He put up his
airplane and
left the airport.

This is the only
contact I had with
Mr. Castleberry
