Mr. Etcher,

No weather briefing or flight plan services were found being provided to N8890L from 5/22/14 through 5/25/14 by LMFS or the DUAT vendors.

Please let us know if we can be of further assistance.

I am working a 2 fatal accident in which the above airplane was involved in. Would you be able to tell me if this airplane is in your system as receiving a weather briefing or filing a flight plan on either 5/23, 5/24, 5/25. It was rented by the pilot for a weekend getaway and was found this afternoon near Chester South Carolina.

Thanks
