Dear MARAT FAYER:

Your application seeking registration to operate in interstate commerce within the U.S. has been approved. **You must contact your local State Motor Carrier Safety Assistance Program (MCSAP) office (518-457-6236) within 90 days of the date of this letter to schedule a Safety Audit.**

**Failure to contact your local State Motor Carrier Safety Assistance Program (MCSAP) office within 90 days of the date of this letter will be considered a failure to permit a Safety Audit under section 385.337. In accordance with 49 CFR 385.337, failure to permit a Safety Audit to be performed on your operations may result in the revocation of your registration and/or the penalty provisions in 49. U.S.C. 521(b)(2)(A).**

The purpose of the Safety Audit is to provide you with educational and technical assistance and to gather safety data needed to make an assessment of your safety performance and adequacy of your basic safety management controls. The auditor will review a sample of your safety management systems and a sample of required records to assess compliance with the Federal Motor Carrier Safety Regulations (FMCSRs), applicable Hazardous Materials Regulations (HMRs) and related record-keeping requirements specified in Appendix A of Part 385 of Title 49 of the Code of Federal Regulations (49 CFR Part 385). Upon completion of the audit, the auditor will review the findings with you. This discussion will be followed up within 45 days with an official letter from the agency advising you whether FMCSA has determined that you have adequate basic safety management controls.

In addition to the audit, FMCSA will continue to evaluate your safety management practices and monitor your on-road performance for 18 months prior to granting you permanent registration. You must maintain adequate safety standards and comply with the FMCSRs and applicable HMRs in order to continue operating in interstate commerce during and after this 18-month period. Failure to comply with these requirements may result in the revocation of your New Entrant or permanent registration authority.

**Your USDOT number, and your personal identification number (PIN) which can be used to update your company registration data on-line can be found in the upper right hand corner of this letter. Electronic updates can be made on the FMCSA Registration website, <http://safer.fmcsa.dot.gov>.**

**You can also contact FMCSA's technical support at 1-800-832-5660 for a blank copy of the MCS-150 form.**

**The USDOT number should be marked on your commercial motor vehicles as required by section 390.21 of the FMCSRs. A copy of this regulation is enclosed.**

If you have any questions, need additional information or receive more than one of these letters referencing different USDOT numbers, please contact FMCSA's technical support at 1-800-832-5660 or your local MCSAP office at:

an area office), the letter should be forwarded to your principal office. If there has been a change in your motor carrier name or principal office address, please correct the information at the top of this letter and return a copy of the corrected letter to the office shown above.

Thank you for your cooperation.

Sincerely,

Charles A. Horan, III

MICHAEL SCUB  
PRESIDENT  
GREAT ESCAPES TOURS & TRAVEL LTD

BROOKLYN NY 11229

Dear MICHAEL SCUB:

The proposed motor carrier safety rating for your company is:

CONDITIONAL

This proposed CONDITIONAL rating is the result of an onsite compliance review and evaluation of your safety fitness completed on March 20, 2006. A CONDITIONAL rating indicates that your company does not have adequate safety management controls in place to ensure compliance with the safety fitness standard that could result in occurrences of violations listed in 49 C.F.R. 385.5(a-k).

This proposed CONDITIONAL rating becomes a final rating and goes into effect on May 8, 2006.

Immediate action must be taken to correct any deficiencies or violations discovered during the compliance review. Your operation was found to be deficient with respect to the applicable safety regulations in the following areas:

Part	382	CONTROLLED SUBSTANCE AND ALCOHOL USE AND TESTING
Part	391	QUALIFICATIONS OF DRIVERS
Part	395	HOURS OF SERVICE OF DRIVERS
Part	396	INSPECTION, REPAIR AND MAINTENANCE

Please refer to the copy of the compliance review left at your office for more specific guidance regarding areas in need of corrective action.

You may obtain further information from the local Federal Motor Carrier Safety Administration office listed below:

Dear MICHAEL SCUB:

This letter is to inform you that you have now met all the requirements of Part 385 of Title 49 of the Code of Federal Regulations (49 CFR Part 385) for receiving "New Entrant" registration to operate in interstate commerce within the United States. Accordingly, your "New Entrant" designation is removed and your registration is considered permanent.

However, you are reminded that while operating in the United States, you are required to comply with all U.S. Federal Motor Carrier Safety Regulations (FMCSRs), Federal Motor Vehicle Safety Standards (FMVSS), and applicable Hazardous Materials Regulations (HMRs). The FMCSA will continue to evaluate you on the same basis as any other carrier.

If you have any questions, please contact your local FMCSA office at:
