Subject: RE: Standard Date Code Symbol Chart

Hi Don,
We inherited the chart when we bought a potion of Mecco Marking. I am not aware of a poster or handbook that it is associated with.
Thank you,
Kim

Su- Standard Date Code Symbol Chart

Hello,

I saw this chart of Standard Symbols for Steel Stamps on your website. I was wondering if someone at your company could tell me the source for this table? For instance, is it printed in a handbook or an old poster? It would be much appreciated.

Regards,
Don Kramer
