

MEMORANDUM OF RECORD

Eric Alleyne
Air Safety Investigator
Eastern Region Aviation

May 23, 2015

Subject: Interview with Sean Kear (HQ Pilot) and Wayne Fuoco (HQ pilot)
Persons giving Interview: Eric Alleyne (Telephone and followed up with email)
Time of Interview: Began at 1300 EDT

In a review of the journey logs (JL) (flight logs for every flight) there were 4 maintenance flights identified by (MX or MTX) in the JLs. The first flight was conducted by Sean Kear on March 1, 2015; Mr. Kear stated that the MX flight was conducted for a track and balance. The next MX was conducted on March 6, 2015 and March 11, 2015, by Wayne Fuoco. According to Wayne Fuoco both MX flights were for track and balance. The last MX flight was conducted on March 15, 2015 by Chris Bull; Mr. Bull stated that this flight was to sign off the work that was completed.
