

Communication Summary

April 26, 2018

Information from: Mr. Marty Pachelli

---

Summary & Factual Information: Mr. Pachelli was asked if he knew the route of flight for the prior helicopter flights to the ranch. He reported that the few times that the pilot would have flown to the ranch would have mainly been flight paths from Perry Stokes Airport, Trinidad, CO, to the ranch. He was not real familiar with how many trips he would have made from the Raton Airport to the ranch but it was probably minimal.

I can attest that the above summary is correct to the best of my knowledge:
