

MEMORANDUM FOR RECORD

Brian C. Rayner
Senior Air Safety Investigator
Eastern Region Aviation

March 5, 2015

Subject: ERA14FA045 Ft. Lauderdale, Florida
Name: Josue Buendia Moreno

Josue Buendia Morneno was the copilot of the accident airplane. Examination of his training records revealed that he attended The Tornado School in Mexico for academic instruction in the Learjet 20 Series airplane.

A certificate dated August 20, 2012 listed numerical grades received in areas of instruction that included limitations, systems, and weight and balance.

In a telephone conversation on March 5, 2015, an administrator at the school stated that only academic instruction was provided, and that The Tornado School operated neither airplanes nor flight simulators.
