

MEMORANDUM OF RECORD

**Shawn Etcher
Air Safety Investigator
Eastern Region Aviation**

May 23, 2014

Subject: Recording Provided by the Operator

The following transcript was derived from three .wav files provided by the operator. The recordings were determined to be two from the accident flight and one from the Operator's Operations Control Center. The files were 3 seconds in duration except for the last known recording from the helicopter which was 2 seconds in duration.

The first recording (three (3) seconds in duration) was from the accident flight and was time stamped as 2212.24 CDT (2312.24 EDT):

"one-oh-nine roger show us arriving at the base"

The second recording (three (3) seconds in duration) was from the OCC and was time stamped 2212.30 CDT (2312.30 EDT):

"airevac one-oh-nine i got you on final for base"

The third recording (two (2) seconds in duration) was from the accident flight and was time stamped 2215.02 CDT (2315.02 EDT):

"no"

The three (3) audio recordings are available and may be obtained from:
