G-COR

1.41 Engines Coupled to Occupied Passenger Cars

Engines coupled to equipment that includes occupied passenger cars must not be left without an authorized employee in charge.

SAFETY TIP OF THE DAY – (AMT-5)

5603 Before starting/energizing 480 volt H.E.P. or power supply on locomotives and/or cars, employees must be made aware that power will be energized and must stand clear of all electrical cables.

Bags and Personal Belonging

In stations and on board trains, watch your bags and personal belongings at all times. Do not accept packages from strangers. Do not allow anyone to leave unattended items with you

24 Travel Options

Remember, passengers chose to travel by train. Make it a great experience for them.
