

## RECORD OF CONVERSATION

**Joshua D. Cawthra**  
**Aviation Accident Investigator**  
**Western Pacific Region**

---

**Date: June 25, 2012**  
**Person Contacted: Con Magnuson – Airport Owner**  
**NTSB Accident Number: WPR12FA274**

---

### **Narrative:**

During a telephone conversation, Mr. Magnuson reported that he mows the runway surface to about 3 inches in height and that it was last mowed two days prior to the accident. In addition, Mr. Magnuson reported that there had been multiple rain showers within the vicinity of the airport just prior to the accident flight and that the grass runway was damp.
