BNSF Railway Co.
NEBRASKA DIVISION

GENERAL ORDER No. 12

TO ALL CONCERNED,

SUBJECT: Creston Subdivision Amendment

Explanation:

Item 7. Special Conditions - Approaching Control Point Announcement
effective May 25, 2010.

Following are amendments to Nebraska Division Timetable No. 7 in effect
at 0800, Wednesday, May 12, 2010.

=====

Effective May 25, 2010

Item 7. Special Conditions

Add:

Approaching Control Point Announcement - In Signaled Territory, when a
train is passing a signal displaying an approach indication in advance
of a control point, a crew member must transmit the following by radio:

- Train Identification - Initials, engine number, and direction
- Signal Name
- Control Point Location
- Track - (on single track, main track designation is not necessary)
- Speed
