A031 . Contract Training

HQ Control: 12/01/2010

HQ Revision: 04a

- a. The certificate holder is authorized to make arrangements with each training center (including satellites) and/or certificate holder operating under the same CFR part (collectively referred to as training organizations) listed in this operations specification for the purpose of conducting instruction and/or evaluations for the certificate holder in accordance with the following limitations and provisions.
- b. The certificate holder must ensure that all arrangements made with each training organization listed in this operations specification are performed in accordance with the certificate holder's approved training program(s) and the Code of Federal Regulations.
- c. The certificate holder must ensure that each of the training organization(s) listed in Table 1 below has adequate facilities and equipment, competent personnel, and an organizational structure to support the requested training and/or evaluations specified in the certificate holder's approved training program.
- d. The certificate holder must ensure that that all instruction and evaluations conducted by each training organization listed in this operations specification are performed in accordance with the certificate holder's operating rules and as approved by the certificate holder's principal operations inspector (POI).
- e. The certificate holder must have a program or method outlined in its training program that enables it to detect, identify, and implement timely corrective action for all deficiencies detected in the training provided by each training organization listed in Table 1 below.
- f. The certificate holder must ensure that each person engaged in the instruction and evaluation of its personnel who are employed by each training organization listed in Table 1 below is trained, qualified, and authorized to conduct the appropriate training, testing, and checking in accordance with the certificate holder's operating rules and the training program approved by its POI.
- g. The certificate holder must ensure that all arrangements made with each training organization listed in Table 1 below are fully compliant with these operations specifications, the certificate holder's approved training program, the Code of Federal Regulations and in no way contrary to them.
- h. The certificate holder must ensure that its aircraft configuration(s) and POI-approved procedures are effectively supported by the training

organization’s equipment, instruction, and evaluations. Additionally, the certificate holder must ensure that differences between its equipment and the training organization’s equipment are addressed by conducting appropriate differences training.

- i. The certificate holder must conduct a standardization review of each organization listed in Table 1 of this operations specification and provide the results of this review to the certificate holder’s POI prior to beginning contract training or checking operations. This operations specification paragraph A031 may be issued upon receipt by the certificate holder’s POI of a satisfactory standardization review.
- j. The certificate holder must conduct initial and recurring audits of each training agreement and organization listed in Table 1 of this operations specification. Each audit must include an evaluation of at least the items listed in subparagraphs b through h above. The first audit is due within 60 days of the commencement of training or checking operations, and subsequent audits must be conducted by the certificate holder at least once every 24 calendar months. The date of the most recent audit must be recorded in Table 1. Each audit with evaluation must be presented to the certificate holder’s POI for review and acceptance not later than the last business day of the month following the due month for such audits.
- k. The certificate holder must permit and facilitate access to its aircraft and cockpits by employees of the training organization(s) listed in Table 1 for the purpose of maintaining their line-performance/line-observation currency as contract instructors and/or contract check pilots.
- l. The certificate holder is authorized to conduct training and/or checking under agreement with the training organization(s) listed in Table 1 below:
