We Deliver the World

July 31, 2013

Captain David A. Lawrence  
Senior Air Safety Investigator  
Operational Factors Division (AS-30)  
National Transportation Safety Board  
490 L'Enfant Plaza East, SW  
Washington, DC 20594

Re: Procedures Statement

Captain Lawrence:

Please note statement below:

Bagram Air Base Departure Procedures

National Airlines does not conduct or train any tactical departure procedures out of Bagram. We do conduct and train published Jeppesen standard departures, and also engine-out procedures, in accordance with our ASAP runway analysis performance.

Sincerely,

Adam Puryear  
Director of Training

José Rodriguez  
B-747 Fleet Manager
