Attachment 29 - UPS Emergency Equipment CBT Modules

**OPERATIONS/HUMAN PERFORMANCE SUPPORT TO
THE U.S. ACCREDITED REPRESENTATIVE**

DCA10RA092

Emergency Equipment

HALON FIRE
EXTINGUISHER

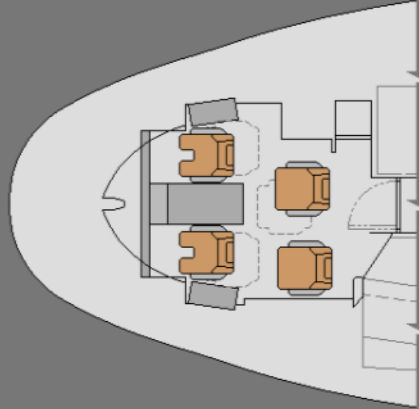

A halon fire extinguisher is available on the flight deck for flammable liquid or electrical fires. Use the extinguisher with extreme caution, since discharged halon depletes oxygen.

401391 - L1 F-1.1

Emergency Equipment

HALON FIRE
EXTINGUISHER

Always put on protective breathing equipment before using the halon fire extinguisher.

4013ca L1 F-1.2

Portable Fire Extinguishers

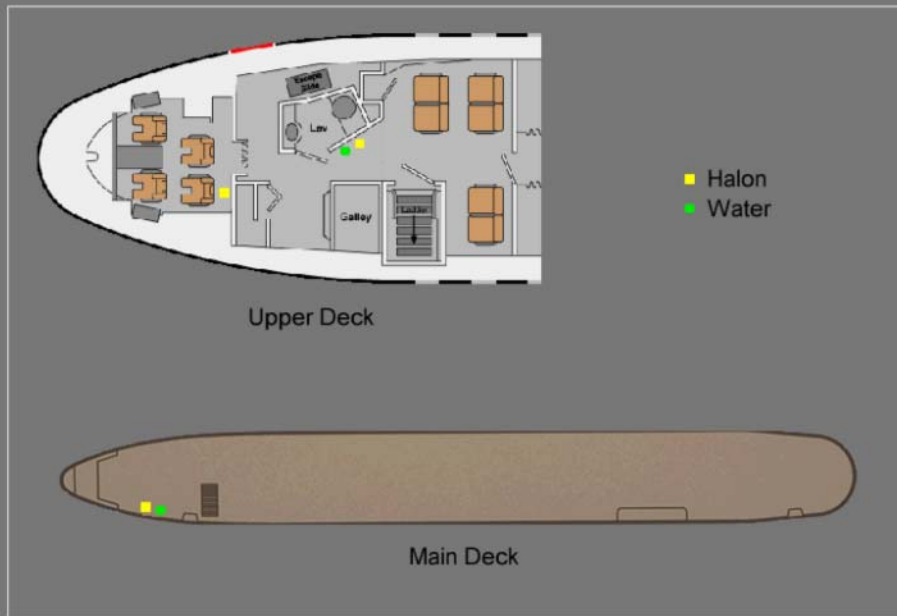

The freighter airplane is equipped with both portable halon and portable water fire extinguishers.

4013pt - L2.F.2.1

Portable Fire Extinguishers Location

Halon fire extinguishers are located on the flight deck, the outboard wall of the lavatory, and on the main cargo deck. A water extinguisher is located on the outboard wall of the lavatory and on the main cargo deck.

4010jei L2 F-2.2

Portable Halon Fire Extinguishers

Halon fire extinguishers can be used on any type of fire, but are primarily intended for use on electrical, grease and flammable liquid fires.

4013pd L2 F-2.3

Portable Water Fire Extinguishers

Water fire extinguishers are used primarily on paper, waste, or cloth fires. They should not be used on grease or electrical fires.

4013a L2 F-2.4

Fire Wand - Main Deck

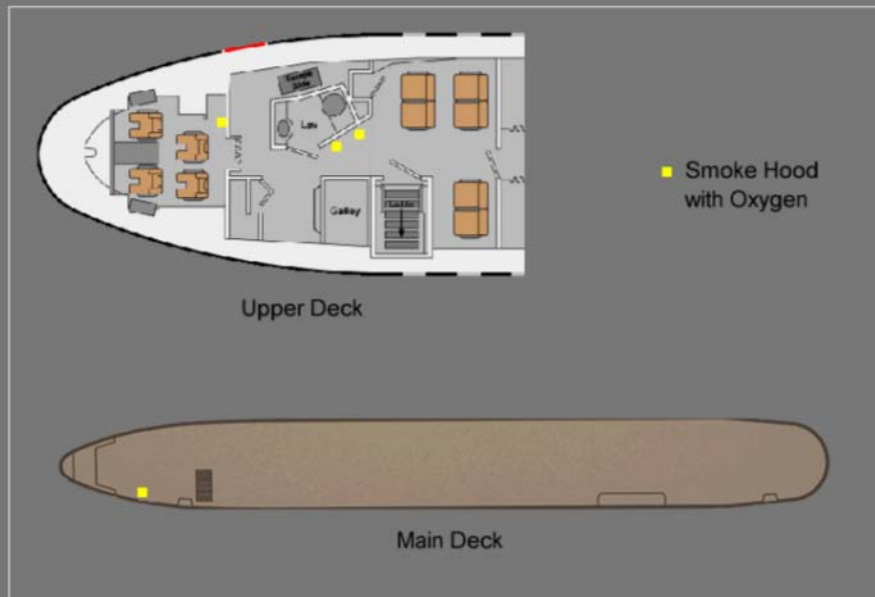

A fire wand is located on the main deck, forward of door 1L. It attaches to the adjacent halon fire extinguisher.

Navigation controls: a left arrow, a "Repeat" button with a circular arrow icon, an "Options" button with a list icon, and a right arrow.

4013pt L2 F.2.5

Smoke Hood with Oxygen

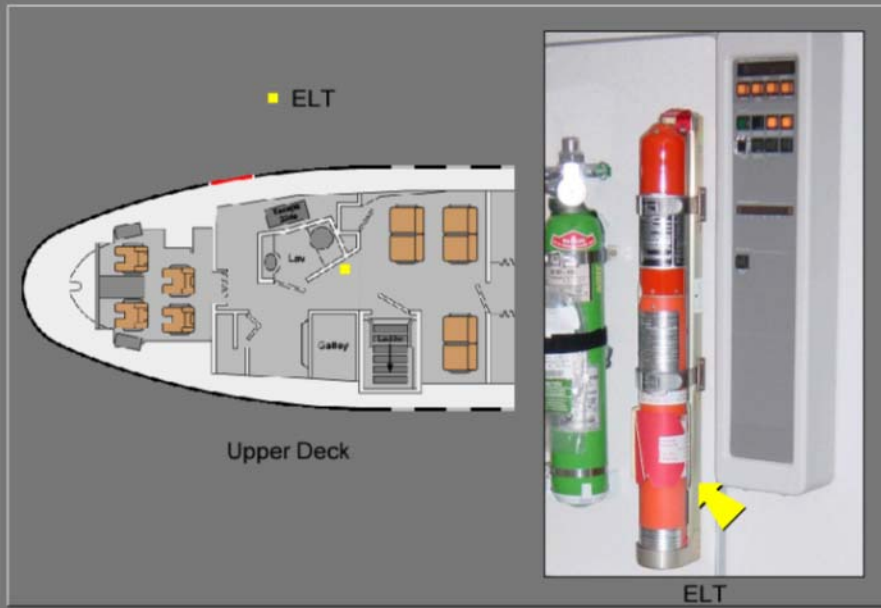

One smoke hood with oxygen is located on the flight deck. Two smoke hoods with oxygen are located on the outboard side of the lavatory. One smoke hood with oxygen is located on the main deck forward of door 1L.

4013pt L3 F.3.1

Emergency Locator Transmitter

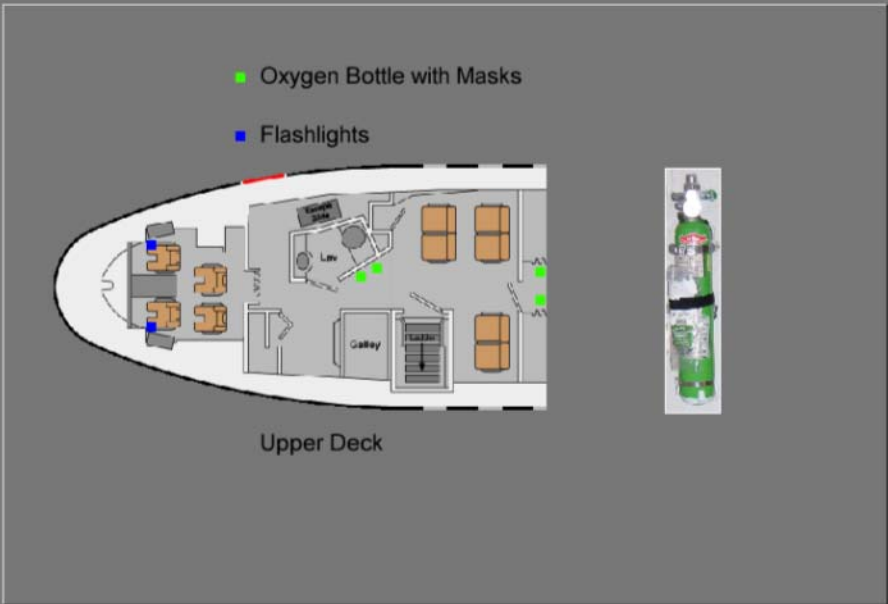

An emergency locator transmitter is located on the outside of the lavatory wall.

4013pa L3 F-3.6

Portable Oxygen Bottle/Masks

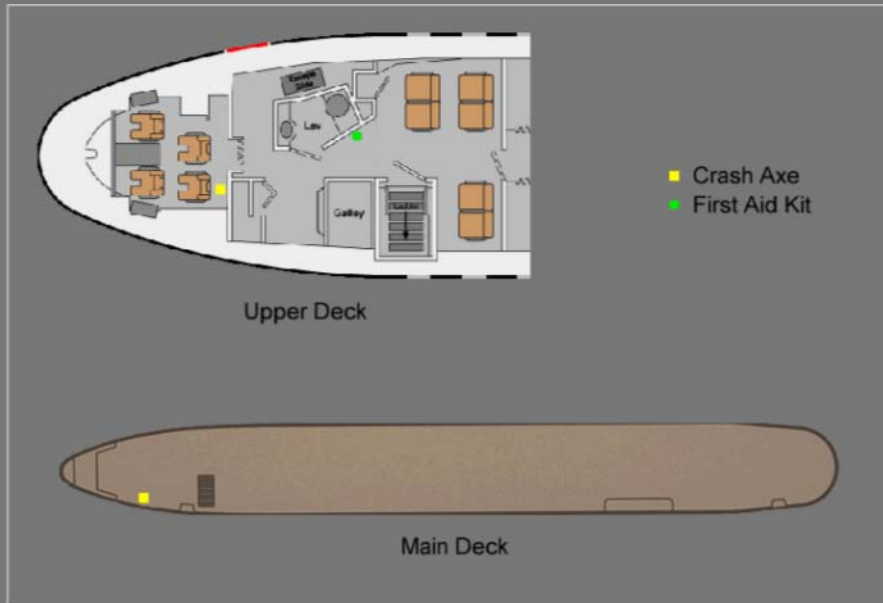

There are four portable oxygen bottles with disposable face masks located in the aft upper deck area. A flashlight is stowed at both the Captains and First Officer seats.

Navigation controls including a back arrow, a Repeat button, an Options button, and a Pause button.

4012jcl L3 F-3.6

Crash Axe and First Aid Kit

A crash axe is located in the flight deck and on the main deck forward of door 1L. A first aid kit is located on the outside of the lavatory wall.
