Over his career from 7/26/1990 to 2/2/2015 (The most recent date for which data is given in the airman's records), the pilot claims to have averaged 215 hours per year. This rate of accumulation of flight time continues at approximately this rate until the time period between 2/15/2013 and 2/2/2015 when the pilot logged 721 hours per year.
